

Living in the "G" Zone: GlidePath, Peak Power & Ulster County

A *FREE* community BBQ
and public forum FOR ALL

FRIDAY, AUG. 10th
Starts 6PM

Robert Post Park
515 Park Road
(off Ulster Landing Rd.)
Town of Ulster

SPEAKERS

- ◆ Opening remarks by Ulster County Executive *Mike Hein*
- ◆ Energy Analyst and Economist *Evelyn Wright* (Citizens for Local Power)
- ◆ Environmental Advocacy Director *Hayley Carlock* (Scenic Hudson)

Learn more what it means to live in the "G" Zone and Peak Energy Power Plants, the proposed *Lincoln Park Grid Support System project*, a gas-fired peak energy power plant in the Town of Ulster, and the next steps regarding the State Environmental Quality Review (SEQR) process for the project.

An important citizen action will be revealed.
